Nice I've been needing that vinyl, appreciate it.

Send them an email, I got my shit about a week ago but i had to send them an email a few days prior to that asking when im receiving my shit. Also those xbox thumbgrips dont fit unless you pull off the orange part and use them more like skins for your thumbsticks so if you expect them to work like kontrolfreaks they wont and i'd advise just flipping on stock x before you open them.
